Town Warrant

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Seabrook qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town, on Tuesday the eighth day of March next, ten of the clock in the forenoon to act upon the following subjects:

Article 1. To elect a Town clerk, one selectman for a term of three years, town treasurer, collector of taxes, three constables, highway agent, three overseers of the poor and all other town officials for the year ensuing.

Article 2. To see what sums of money the town will vote to raise for the expense of the general government, for the protection of persons and property, for health and sanitation, for highways and bridges, for the support of the town poor and all other necessary expenditures for the year ensuing.

Article 3. To see if the town will vote to authorize the selectmen to borrow money on anticipation of taxes, and to renew and refund town notes.

Article 4. To hear the report of the budget committee and act thereon.

Article 5. To see if the Town will vote to raise the sum of forty (\$40.00) dollars for the observance of Memorial Day.

Article 6. To see if the town will vote to allow a discount on taxes.

Article 7. To see what sums of money the town will vote to raise for material and expense for projects that may be allotted to the town.

Article 8. To see what sums of money the town will vote to raise to defray the expense for collecting garbage from the residents of Seabrook Beach, the same to be left in the hands of the selectmen.

Article 9. To see if the town will vote to raise the sum of fourteen hundred twenty three dollars and fifty cents (\$1,423.50) for state aid construction, the state to contribute twenty-eight hundred forty-six dollars (\$2,846.00) to total forty-two hundred sixty-nine dollars and fifty cents (\$4,269.50) the same to be expended on the South Seabrook Road or the Crovetti Road.

Article 10. To see if the town will vote to raise the sum of one hundred eighty dollars and three cents (\$180.03), the state to contribute seven hundred twenty dollars and twelve cents (\$720.12) to total nine hundred dollars and fifteen cents (\$900.15), for class V assistance.

Article 11. To see if the town will vote to raise the sum of one hundred fifty dollars (\$150.00) for the purpose of building a dam and gate at Mill Creek, better known as Robbins Mill, to be under the supervision of the selectmen.

Article 12. To see if the town will vote to raise a sum of money to be used in participation in the Tercentenary Celebration to be held at Hampton, N. H. in the month of August 1938.

Article 13. To see if the town will vote to raise the sum of one hundred dollars (\$100.00) for the Celebration of the Anniversary of the Ratification of the Federal Constitution by the State, June 21, 1938, said sum to be expended under the direction of the selectmen.

Article 14. To see if the town will vote to raise the sum of four hundred dollars (\$400.00) to be used on Worthley's Avenue so called upon petition of Edward S. Beckman and ten others.

Article 15. To see if the town will vote to empower the selectmen to sell the old gravel pit land at the State Line on the Lafayette Road and also the rear half of the gravel pit land near Brown's Park at the highest price available.

Article 16. To see what action the town will take with regard to the "Quaker Burial Ground" so called at the Elmwood Cemetery.

Article 17. To see what action the town will take in regard to the protection of our clam flats and clams.

Article 18. To see if the town will vote to establish and maintain a legal and efficient Auditing System that will cover the entire town's accounts and cause the town's assets and liabilities to be accounted for in full in our Annual Town Report. Also to take action in any other matter pertaining to the welfare of the town that may be brought up by the sponsor of this article, upon petition of Abram J. Miller and ten others.

Article 19. To see what action the town will take in regard to the digging of clam worms in our clam flats by non-residents upon petition of Simeon J. Eaton and ten others.

Article 20. To see if the voters of the town of Seabrook shall vote to make it law in said town, that the Chief of Police shall be elected each year by a vote of the people instead of by a majority vote of the Board of Selectmen, on petition of George O. Mansell and ten others.

Article 21. To transact all other business that may legally come before said meeting.

Given under our hands and seal this day of February 21, 1938.

WILLIAM H. SANBORN,
RALPH O. BRAGG,
THOMAS F. OWEN,

Selectmen of Seabrook.

Superintendent's Report

To the School Board of Seabrook:

I herewith submit to you my eighth annual report as superintendent of schools:

The figures in this report cover the school year from September 1, 1936 to June 30, 1937—the last complete school year. There is also a supplementary report giving the pupil enrollment for the fall term of 1937 and the district payments for the current school year to January 30, 1938. These supplementary figures will also be included in next year's report. This double reporting is done simply to inform the people of the condition of the district at the present time.

The average per pupil cost for the elementary schools of New Hampshire during the past school year was \$77.16. According to figures given out by the State Board of Education the per pupil cost for Seabrook was \$46.70. As has been true for the past several years, this is the lowest like figure in the state. Since the state aid amounted to \$6,000 and the pupil enrollment was 302 it is evident that the State's share was practically \$20.00 per pupil. This means that the actual cost to the people of Seabrook for educating one child in elementary schools was approximately \$26.70.

The school budget for 1937-1938, printed in last year's report, subtracted from the amount of money required for maintenance of the schools \$6,000. This is the amount demanded for state aid. The check received however was \$102.47 less than this amount. This means that the amount so lost must be added to next year's budget. It is a matter of pride to the town that so many of our pupils are attending high school. It will react to the credit of Seabrook in future years. This does however, mean continually increasing

amounts spent for high school tuition and necessitates a larger school budget. Such is the case with the present year.

The new addition to the South school has done away with the former crowded condition and now allows each teacher to work under more suitable surroundings. Seabrook is to be congratulated since the result of this improvement was, four rooms as well lighted, as well arranged and as attractive as any in the state.

Seabrook does not now employ a supervisor of music. This throws an added burden upon the teachers. While it may be unwise under the present financial conditions to undertake added expense for this work, as "better times" return we should look forward to again engaging a supervisor.

We are attempting, as money is available to modernize our text books. Rather than do this in any one year, we are planning to spread this over five or six years. We have already changed our arithmetic books in the lower six grades and also many of our reading books. In New Hampshire the average per pupil cost for text books is between \$1.50 and \$1.75 yearly. Seabrook has never approached this figure although one year ago it spent \$400. I believe this should be our next line of improvement.

Our school rooms are kept neat and clean. I wish to compliment the teachers and the janitors for this. It really helps a great deal in the work of the school. The oiling of the floors is a valuable health measure as well.

The standards of our preparation for high school are now checked by two different school systems since our graduates enter either Newburyport High School or Amesbury High School. I believe it proof of the excellence of the work done by our schools that pupils in each school, this year, appeared on the honor roll.

The progressive schools of the nation are attempting to train children from the earliest grades, in accurate observation and experiment. They are teaching the youngest pupils to use real information and accurate methods of thinking toward a better interpretation of their environment. Hereto-

fore, this has been impossible because no texts were available written in the limited vocabulary of the lower grades. All leading text book companies are now publishing such books. These establish an evenly advancing course in elementary science subjects from the first grade through the eighth. The two functions mentioned above are served by these courses. I am recommending the gradual introduction of some complete course of this kind, preferably in the lower grades first and, as they advance, into all grades. The expense would be little since we are continually replacing readers under any plan.

The report of Mrs. Dorothy Lindsey is included herewith. During the period she has been with us as school nurse she has won the confidence of the parents, children and school officials. She visits our schools regularly, but this is only part of the service she renders to our pupils. Children taken to the dentist, or the doctor, call for much of her time. Home visits by the nurse are of great value in receiving the cooperation of home and school.

The Seabrook Parent-Teacher Association is doing much for our schools. Such an organization brings together teachers and parents on a common ground where they may discuss the child, each from his own view point. In addition to the gifts received from the association and the opportunity offered for mutual study, it is a real comfort to know that we have an active group of citizens interested in the schools and their welfare.

Special mention must be made in this report of Miss Alice M. Weare who will this Spring complete fifty years of teaching. With the exception of a short time spent in the schools of Newburyport, the entire period was devoted to serving the District of Seabrook. She is now teaching grandchildren of former pupils. Such a life of service is rarely vouchsafed to any town. The value of her work can be estimated only by the avenues of interest and development she has opened to her pupils. I am sure the people of Seabrook appreciate her years of service and we, in the school work, are grateful for the privilege of working with her.

Your schools are modern schools. They are tested by recognized tests and taught by faithful teachers. You, as a board are ever watchful for the welfare of the pupils of Seabrook. Your frequent board meetings are productive of valuable results. To their inspiration and incentive I am indebted for renewed confidence to work for the advancement of school ideals in our town.

Respectfully submitted,

ROY W. GILLMORE,

Superintendent of Schools.

Report of School Nurse

For Year 1937 Ending February 1938

The annual report of the school physical examinations conducted by Dr. Coleman, assisted by School Nurse is as follows:

Underweight children, 42; corrected defects, 28.

Defective vision, 3; defects corrected, 4.

Defective hearing, 2; defects corrected, none.

Anaemia, 5.

Nervous condition, 2.

Cardiac condition, 2.

Defective teeth, 30; corrected, 35.

Diseased tonsils, 80; corrected, 3.

Defective breathing, 3.

Adenoids, 17; corrected, 17.

Enlarged glands, 22.

Cases of communicable diseases for year 1937-1938:

Chicken-pox, 9.

Scarlet fever, 18.

Mumps, 2.

Skin disease, 4.

Whooping cough, 2.

Number children unvaccinated, 183.

Number children vaccinated, 119.

A dental clinic was conducted by Dr. George Nice of Newburyport, Mass. Fourteen children were transported by nurse and treated. Five dollars was contributed from four schools for this work. This money was raised by the teachers in the form of entertainments.

During the winter of 1937, we had an epidemic of scarlet fever. Extra time was spent in Seabrook at this time. Daily visits were paid to schools and the children were

given a daily examination of skin and throats. All children with suspicious throats were excluded from school.

All Schools were closed from March 29-April 3. Schools were fumigated and thoroughly cleaned before reopening.

The number of visits made to schools, 278.

The number of visits made to school children absent because of illness, 276.

The nurse visits Seabrook weekly. Children are examined, weighed and measured and visits made to homes.

Talks were given on health to the Four H Club and to Parent-Teacher Association.

Took one child to Manchester for heart examination. Four children have been taken to Newburyport and secured glasses. Some dental work has been accomplished under Dr. Nice at Newburyport.

The County Welfare have been very kind in providing two of the children with glasses. Four children had tonsil operations at the Mitchell Hospital and Exeter Hospital. There is a great deal of dental work needed among the school children. Also many are not vaccinated.

All physical defects such as defective vision, poor teeth, diseased tonsils, greatly handicap a child not only in school work but in their general health.

At this time I wish to thank Mr. Gillmore, the School Board, Dr. Coleman, Teachers and Parents for their splendid cooperation given me in my school work.

Respectfully submitted,

DOROTHY E. LINDSEY, R. N.
